Section 2

Service Specifications

Section 2

Service Specifications

I. Introduction

A. Overview, purpose or need

Research has demonstrated that higher-risk youth are more likely than lower-risk youth to commit additional criminal acts upon their release into the community. Research has also demonstrated that providing appropriate services to higher-risk youth can reduce the probability of youth committing additional criminal and anti-social behaviors. The purpose of the requested service is to support higher-risk youth released from the Hawaii Youth Correctional Facility (HYCF) successfully transition back in the community and help prevent them from re-entering back into the juvenile justice system.

B. Planning activities conducted in preparation for this RFP

A Request for Information (RFI) session was held on February 7, 2007 in Honolulu. Representatives from agencies discussed the existing services and gaps in services related to aftercare for our youth released from the HYCF. Information from the meeting was considered when finalizing the Request for Proposal.

C. Description of the goals of the service

The requested service shall seek to reduce those risk factors that contribute to the probability of youth committing criminal or anti-social acts, assist youth to maintain relationships with positive individuals and resources in the community, and provide supportive aftercare services for a smooth and seamless transition into the community. Services shall begin upon the release of youth from the HYCF and residency of youth in the community.

D. Description of the target population to be served

1. The target population for the services, in order of priority, includes:
 - a. Male and female youth under the jurisdiction of the HYCF referred by the HYCF or agency responsible for the care and custody of incarcerated youth who have been identified as individuals whose

overall risk score places youth at high risk of recidivating. Identification of high-risk youth will be accomplished by the completion of an objective risk and needs assessment instrument by the HYCF or agency responsible for the care and custody of incarcerated youth. Applicant will be required to identify high-risk youth by completing an objective risk and needs assessment instrument, should such an instrument not be completed by the HYCF or agency responsible for the care and custody of incarcerated youth.

- b. Youth under the jurisdiction of the HYCF referred by the HYCF or agency responsible for the care and custody of incarcerated youth who have been assessed and identified as in need of transitional services and who would benefit from participating in these services, if adequate applicant resources are available.
2. Youth already being provided similar service activity shall not be eligible for that particular service activity unless approved by the Office of Youth Services (OYS). Applicants may collaborate with other agencies and supplement similar transitional service activities provided by other agencies.

E. Geographic coverage of service

The Monitoring services shall be provided on the islands of Oahu, Maui, Kauai, and Hawaii. Monitoring services may also be provided on the islands of Lanai and Molokai if adequate applicant resources are available.

F. Probable funding amounts, source, and period of availability

The option for renewal or extension shall be based on the program's satisfactory performance and the availability of funds.	
3. The OYS reserves the right to make modifications to the scope of services and in the funding amounts that it is unable to anticipate now. There may	

be unique circumstances, not limited to federal grants, that require these modifications be made to continue or improve services. Additionally, should funding be increased or decreased, the OYS reserves the right to add in additional funds or decrease funds at its discretion.

SPECIAL CONDITIONS

1. **Insurance.** Paragraph 1.4, Insurance, Exhibit “D”, General Conditions, is modified to include and the PROVIDER agrees to the following:

In order to protect the PROVIDER as well as the State of Hawaii covered under the indemnification provision in this Agreement, the PROVIDER shall obtain and keep in force throughout the period of this Agreement the following insurance:

Automobile liability insurance for automobiles owned or leased by the PROVIDER and used to carry out services specified in this Agreement shall be obtained from a company authorized to do business in the State, or meet Section 431:8-301, Hawaii Revised Statutes if utilizing an insurance company not licensed by the State of Hawaii, and complying with the Hawaii No Fault Insurance Law. The combined amount shall be at least ONE MILLION AND NO/100 DOLLARS (\$1,000,000.00) with respect to bodily injury and to property damage. The PROVIDER's policy shall name the State of Hawaii as additional insured. Prior to or upon execution of this Agreement, the PROVIDER shall furnish the STATE with a Certificate of Insurance, verifying the existence of such insurance. Such certificate shall also expressly provide that such insurance shall not be canceled unless the insurance company has first given to the STATE thirty (30) calendar days' written notice of the intended cancellation.

If the PROVIDER is authorized by the STATE to subcontract, subcontractor(s) is not excused from the Indemnification and/or Insurance provisions of this Agreement. The PROVIDER agrees to require its subcontractor(s) to obtain insurance in order to indemnify the STATE.

Failure of the PROVIDER to provide and keep in force such insurance shall be regarded as material default under this Agreement, entitling the STATE to exercise any or all of the remedies provided in this Agreement for default of the PROVIDER.

The procuring of such required policy or policies of insurance shall not be construed to limit the PROVIDER's liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement. Notwithstanding said policy or policies of insurance, the PROVIDER shall be obliged for the full and total amount of any damage, injury, or loss caused by the negligent act or omission of the PROVIDER or its authorized representatives.

2. **Confidential Information.** In addition to Paragraph 2.1, Confidentiality of Material, Exhibit “D”, General Conditions, the PROVIDER further agrees to the following:

All information and records about or for the clients served, secured from clients, the STATE, or any other individuals or agencies by the PROVIDER, or prepared by the PROVIDER for the STATE, in satisfaction of this Agreement, shall be confidential and shall not be made available to any individual or organization by the PROVIDER without prior written approval of the STATE, subject to provisions of applicable State of Hawaii

and Federal statutes, and State of Hawaii Administrative Rules. To ensure the confidentiality of all such information and records, the PROVIDER shall immediately notify the STATE when inquiries for information, including subpoenas are made to the PROVIDER. The PROVIDER shall submit copies of all written requests for information, as well as subpoenas, to the STATE.

3. **Maintain Records.** In addition to Paragraph 2.3, Records Retention, Exhibit “D”, General Conditions. The PROVIDER further agrees as follows:

The PROVIDER shall maintain statistical, clinical, and administrative records pertaining to services of this Agreement. The records shall be subject at all reasonable times to inspection or review by the STATE or Federal representatives directly connected with the program area under this Agreement. All records shall be retained and made accessible for a minimum of six years after the date of submission of the PROVIDER's final report to the STATE; provided that, in the event any litigation, claim, negotiation, investigation, audit, or other action involving the records has been started before the expiration of the 6-year period, the PROVIDER shall retain the records until completion of the action and resolution of all issues that arise from it or until the end of the regular 6-year retention period, whichever occurs later.

4. **Equipment.** All equipment purchased with contract funds under this Agreement including items of personal property, as distinguished from real property, that has an acquisition cost of \$1,000.00 or more per item and with an expected life of more than one year, shall remain the property of the STATE. All equipment purchased with contract funds must have prior approval from the STATE before purchase to be allowable. Following the Agreement period, all equipment shall be reported in the final fiscal report to the STATE. Disposition of said equipment shall be prescribed by the STATE.

5. **Publications.** The PROVIDER shall submit all reports and written publications resulting from this Agreement for review, comment and approval prior to publication. Any publications (written, visual or sound), whether published at the PROVIDER's or STATE's expense, shall contain the following statements (Note: This excludes press releases, newsletters, and issue analyses):

This project was supported by an Agreement from the Office of Youth Services, Department of Human Services, State of Hawaii (and if applicable, the name and federal award number of a federal grant funding the contract).

The opinions, findings, and conclusions or recommendations expressed in this publication/program/exhibition are those of the author(s) and do not necessarily reflect the views of the Office of Youth Services (and if applicable, the federal grant agency).

6. **HIPAA.** In this Agreement “HIPAA” means the Administrative Simplification provisions of the *Health Insurance Portability and Accountability Act of 1996*, Pub. L. No. 104-191. PROVIDER is a “health care provider” under HIPAA. A “covered entity”

is a health care provider that transmits information in a standard electronic transaction under 45 CFR Parts 160 and 162. If PROVIDER is or becomes a “covered entity”, then PROVIDER must comply with all of the rules adopted to implement HIPAA, including rules for privacy of individually identifiable information, security of electronic protected health information, transactions and code sets, and national employer and provider identifiers. See, 45 CFR Parts 160, 162, and 164.
